

Vinyl meets wireless listening

Advance Paris + Q Acoustics + Goldring

HI-FI SYSTEM PACKAGE

Three components. One music system.

A Riverside HiFi package pairing a Bluetooth integrated amplifier with black bookshelf speakers and a dedicated turntable.

01 Advance Paris X-i50BT

Integrated amplifier with Bluetooth reception. Rated at 2 x 50W RMS into 8 ohms, with analogue inputs for your music sources.

02 Q Acoustics 3020C

Black bookshelf speakers with C3 curved-cone mid/bass drivers and braced cabinets. A compact speaker choice for a stereo music system.

03 Goldring GR3

A dedicated turntable for enjoying your record collection. Included as the vinyl source in this Riverside HiFi package.
